THE FAMILY.

By SENORA SARA.

Conversation in these hurried days, large faded the moss may be dried and is almost a thing of the past. The graceful, gracious art is fast dying out. We have no time for the lengthy dis-We have no time for the lengthy discourses and rounded periods of the which masquerades as such too much, drink a sick person ought to relish, reminding us of Dr. Johnson's com-

rest is easy. Women talk, but rarely with fresh water and it will come out converse. They have a fatal habit of looking all right. relating long tales, already twice told, relating long tales, already twice told, leeping the floor indefinitely, forgetting always conscious of your bounder duty keeping the floor indefinitely, forgetting that the art of conversation is to keep the bail moving, tossing it lightly from one to another. We all know the style of the average domestic woman. A 20-minute call is spent somewhat in this fashion: The first five explaining why she has neglected to call before, the next 10 in a spirited discourse on the iniquities of her cook, the delinquencies of her dressmaker, or some other equally thrilling subject; the remaining five in the going away, with the attendant "so glads." Thus her intercourse with women. With the opposite sex it is something fearful and wonderful. During a half hour chat with a man, starting with the idea that she must amuse him, she talks on any and every topic that suggests itself to her mind, ranging from "Shakespeare and". every topic that suggests itself to her mind, ranging from "Shakespeare and the musical glasses" to the fashion in The really hospitable house is the one

Calicoes, ginghams and chambrays cannot be properly washed along with the white clothes. They need a much quicker process, and the long delays of an ordinary wash day would ruin them.

Every good housekeeper browns and rolls or grates her stale bread, thus having it in readiness for scallops or frying meats, fish, croquets. If, after being rolled, it is put thru the flour sieve the additional fineness will amply sieve the additional fineness will amply

repay the trouble. A little soap cases wonderfully the Colville, the sturdy leader of the regi-labor of cleaning a stove. Rub a flan-ment, are due to receive deserved tribnel rag on the soap, dip into ordinary stove blacking and apply to the stove; finish with a dry cloth. The work will The Committee on Military Affairs,

once and you will do it always, so grea is the improvement.

If you have many short-stemmed flowers to arrange it is well to fill a low dish with damp moss, then with a sharp stick dibble holes in the moss and insert the stems. When the flowers

Do you wish to make gruel for "teacup days of patch and hoop," nor sick friend? Take cornmeal and sift it would a revival be altogether desirable into a quart of boiling water, stirring or suitable, but surely in place of that Add salt to flavor and let it simmer for stateliness and formality of speech something better could be aimed at than the chit-chat of to-day. Of conversation we have scarcely any, of talk

White suede gloves may be cleaned ment, after an evening spent in society, by using dry pipe clay and an old tooththat there had been much talk, but no brush. White cloth such as is worn conversation. Conversation should be an inter-change of ideas, so like the famous re-change of ideas, so like the famous re-looking mess at first, and you will think cipe for game ple, first catch your ideas, that you have ruined the cloth, but just and given a congenial companion the rinse out the brush and scour the cloth

one to put into words the thoughts that underlie the current of his life, often the mainsprings of his actions; she to

The desire to shine is a natural one, it is true, and a bright, intelligent woman, impatient with the commonplace their school? Do you know how much woman surrounding her, rushes to the light they have in the school room or did not want to disappoint his friend, to the appellant, unless its extra terriother extreme, and wearies as much by anything about its ventilation, or how The liquor traffic is the greatest curse to the liquo her very eleverness as does her un-fortunate sister by her dullness. For, with them? Perhaps they do not get after all, it is not brilliancy in a wo-man which attracts; it is that nameless the teacher are loud and long. Have something—tact, sympathy—call it what you investigated the matter, or do you you will, which, combined with a keen think the blame is all on one side? A intelligence, forms a weapon almost im- visit to the school might reveal what the end of the war, and I get only \$6 sort of person the teacher is and why a month, and I have had that only a there is friction between her and your short time. I think that our Governness; second, the tact when to use and children. If the children have work ment has been good to use all, and I feel when to suppress them—joining these to do at home, do you know if and how thankful for what I receive now but it gifts in a woman, like Alexander, she they do it? Do you give your school looks now as though we shall soon removed the country of the Grand Army Posts a memorial hall would do away with the Examining the Grand Army Posts a memorial hall would do away with the Examining the Grand Army Posts a memorial hall would do away with the Examining the Grand Army Posts a memorial hall would do away with the Examining the Grand Army Posts a memorial hall would do away with the Examining the Grand Army Posts and Special Agents and S may go forth and subjugate the world; boys and girls and you let them have maker shows too much temper in with-her only crumpled rose leaf—that there pred food, or do you let them have maker shows too much temper in with-anything that is at hand? Do you see drawing his small subscription of one Acid phosphate will remove ink have plenty of sleep? Are you watch-stains from the hands when everything ful that some time every day is given eise fails,

be done quickly and will last much of the Minnesota House, has introduced ards' graves and others drunk-longer than without the soap.

Solution of the Minnesota House, has introduced ards' graves, and I thank God that I stopped. I do not think much of the

Free to the

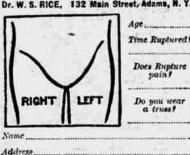

Simple Home Cure that Anyone Can Use Without Pain, Danger or Loss of Time from Work

SENT FREE TO ALL

I cure rupture without operation, pain danger or loss of time. When I say cure, I do not mean hold, but a cure that stays cured and does away with trusses for all time.

To convince you and your ruptured friends that my Discovery actually cures I want you to test it my Discovery actually cures I want you to test it without one cent expense to yourself. Remember, I am not trying to sell you a truss, but I offer you as an absolute, perfect and permanent cure that means freedom from pain and suffering, a largely increased physical and mental vigor, a fuller enjoyment of life's blessings and years of comfort and satisfaction added to the length of your life. Don't send any money, simply fill out the compon below, indicate on the diagram the location of the rupture, and mail it to me. Don't neglect this important matter a single day or continue to be tortured any longer by cheap, ready-made trusses. My remarkable offer is the fairest ever made and should be taken advantage of immediately by all rupture sufferers.

Free Treatment Ocupon Mark on the diagram the location of the Dr. W. S. RICE. 132 Main Street, Adams, N. Y.

The liquor traffic is the greatest curse in this Nation. Comrade Shoemaker seems to lay the cause of his being in the business to the Government, because they pay him only \$\$ a month. I, the same as Comrade Shoemaker, enlisted in August, 1862, and served to I, the same as Comrade Shoemaker, en-listed in August, 1862, and served to thankful for what I receive now, but 't

oth freshens and preserves does and gaining their confidence by fostering and encouraging it? What of these questions, mothers, some or all of them?

Canned sardines carefully browned questions, mothers, some or all of them?

I have seen G. A. R. buttons in our Prohibition Conventions, so I think that all old soldiers do not drink liquor. I look back to the time when I was young and was using liquors, with the boys, all good fellows, and see what has become of those that used it, and it makes me feel bad to think that some ill suicides' graves and others drunk-In the seap.

DEATH OF CAPT. GEORGE DALLAS MOSGROVE.

The Passing of a Valued Contributer to The National Tibune.

Editor National Tribune: I am sure H. J. P., Boston, Mass.—The children of a Mexican war soldier would not have title to bounty land if they were over 21 years of age, on March 3 1855, the date of the passage of the act.

Editor National Tribune: I am sure there are many thousands of readers of The National Tribune who will hear with extreme regret of the death of one of your contributors, whose articles have had very wide reading in years past. I refer to Capt. George Dallas Mosgrove, of the 4th Ky. Cav. over 21 years of age, on March 3 1855, the date of the passage of the act, Lost Check, Lowell, Mass.—If the check you lost was for \$50 or less the act of June 19, 1908, authorizes the Secretary of the Treasury to direct the United States Pension Agent to issue a duplicate check, after the expiration of 20 days. If the check was for more than \$50, a duplicate cannot issue until after six months and within three years from the date of the check. A bond to indemnify the Government must be given regardless of the amount of the check.
